**VolunteerMatters and IntelliCorp Announce Background Screening Integration Alliance**

**ST JOHNS, Florida, September 12, 2018** – VolunteerMatters and IntelliCorp Records, Inc., a Verisk Analytics (Nasdaq:VRSK) business announced today an alliance to provide integrated background screening designed for organizations with a volunteer workforce. The integration between VolunteerMatters and IntelliCorp Records, Inc. will offer organizations the ability to on-board new and returning volunteers as quickly as possible while ensuring a comprehensive and legally compliant screening that provides the safety and security that organizations require.

This integration will deliver an experience that organizations and their volunteers should expect and deserve. That experience will include an easy set up process for the organization, with an intuitive and streamlined system for both the volunteer coordinator and volunteer, along with a background screening report that is legally complaint to all applicable laws. Preferred pricing will be available for any organizations who utilize this integration between VolunteerMatters and IntelliCorp.

“We believe providing a safe environment for volunteers and those they serve is a central requirement to have a truly extraordinary volunteer program,” said Mark Hopwood, VolunteerMatters president. “At VolunteerMatters, we help our clients to promote safety while making it simple for volunteers to engage with the causes they’re passionate about. Our alliance with IntelliCorp has struck this balance perfectly.”

“Our alliance with VolunteerMatters reaffirms our commitment to providing the products and services volunteer organizations deserve,” stated Todd Carpenter, IntelliCorp President. “It’s essential that these organizations have the ability to quickly and effectively on-board volunteers in order to provide vital services to the community, while at the same time knowing they are doing what is necessary to offer a safe and secure environment for all”. “We are happy to provide those background screening services to any volunteer organization”.
